*Food & Drink*

# Dear guests,

A warm welcome to the Sturm und Drang restaurant/café-bistro at the heart of the Westend campus of the Goethe University Frankfurt am Main. The mixture of the imposing campus architecture, first-class gastronomy and premium ambience make the Sturm und Drang restaurant/café-bistro unique. Indulge your palates with our dishes that change daily and leave all your cares behind.

Sturm und Drang combines takeaway, café-bistro, restaurant and catering. You can also host your family or company parties as a private function with us.

The name “Sturm und Drang” is closely tied to our university’s namesake Johann Wolfgang von Goethe, who belonged to the most important authors of this period in the 18<sup>th</sup> century. It is the genius period of the young literary generation, who sought independence and freedom and wanted to turn away from embedded traditions in order to dedicate themselves to free self-development. An air of this period comes to life again nowadays at the Goethe University.

And because every genius gets hungry and thirsty in his creative break too, we would like to wish you a pleasant visit to “Sturm und Drang” because “well eaten is half eaten”.

(J. W. von Goethe).
